

George Haloulakos

George A. Haloulakos, MBA, is a Chartered Financial Analyst [CFA] and consultant specializing in finance, strategy and new business ventures (1995-to date). Author of *DOLLAR\$ AND SENSE: A Workbook on the ABCs of Investments*, George has published over 300 security analyst reports on diversified companies and industries. He is a Lifetime member of Strathmore's Who's Who Registry of Business Leaders with over 30 years of experience.

He currently teaches business valuation and other topics at UCSD Extension. His resume goes on but I'll cut it short here and let George elaborate during his presentation.
