

## **Loren Fogelman**

Loren Fogelman, founder of Business Success Solution.com, is an internationally recognized success expert and has developed a 5-step blueprint for accounting professionals to double their income working half the time. She is author of *The Success Solution – Break Through Limiting Beliefs for Business Success*, an Amazon bestseller and named one of the best business coaches in 2018. Recognized as a high-performance consultant by the LA Times, Loren works with business owners to grow a profitable business that supports their lifestyle instead of one that drains their life. Loren frequently speaks to accounting CPA and professional audiences with insights about how to discover your value, increase your revenue and lighten your workload.
